Jember, East Java

I am a student in the Informatics program at the University of Jember (UNEJ), class of 2024. I have a strong passion for technology, particularly in software development, artificial intelligence, and data analysis. I am always eager to learn new things in the tech world and enjoy collaborating in teams to solve challenges. With a solid foundation in programming and a keen interest in technological advancement, I am committed to continuously developing relevant skills and knowledge in my field.

## Education Level

---

**Universitas Jember** - Jember, Indonesia  
*undergraduate in Informatics*

2024-2028 (Expected)

**SMAN 2 JEMBER** - Jember, Indonesia  
*Graduated in Mathematics and Science Study, 88.00/100.00*

## Experience

---

**Program Lead: 8th Edition Bulletin Launch, UKM-P Binary**

**May 2025 - Jun 2025**

- Led the end-to-end planning, execution, and launch event for the 8th edition of the UKM-P Binary student bulletin.
- Managed a committee of members, delegating tasks for content, design, and promotion to ensure project milestones were met on schedule.

**Event Committee Staff: I-Reach (Informatics Research) 2025**

**May 2025 - Jun 2025**

- Coordinated the scheduling and technical execution of coaching sessions for a program designed to prepare Informatics students for national competitions.
- Prepared and organized essential materials, presentation assets, and digital resources for both coaches and student participants.

**Public Relations Staff: GENESIS 2025 National Competition, UKM-P Binary**

**Jun 2025 - Sept 2025**

- Managed external communications and promotional campaigns for GENESIS 2025, a national-level essay and magazine cover design competition.
- Acted as the primary liaison for participants, judges, and media partners, handling inquiries and distributing key information.

**Public Relations Staff: New Student Orientation (PKKMB), University of Jember**

**Jun 2025 - Aug 2025**

- Disseminated key information regarding schedules, academic regulations, and faculty-specific events to all incoming students of the Faculty of Computer Science.
- Managed the official social media channels for the faculty's orientation event, creating and distributing content to foster a welcoming and informative environment.
